

Mentoring

| | |
|---------------------------------|--|
| WHO is Eligible? | All employees |
| WHAT is the Opportunity? | <p>Mentoring allows lesser experienced employees to tap into existing knowledge, skills and experience of senior or high performing employees. Mentors provide guidance, motivation and role modeling. They often help with exploring careers, setting goals, networking and personal growth.</p> <p>Mentorships may be formal (through MyVector for example) or less structured. You and your mentor will define what works best for you.</p> |
| WHAT is the Outcome? | Increased knowledge |
| WHEN do I Apply? | Any time. Early in your career is best; however, there is never a wrong time! Registration is ongoing through MyVector (link below) or by personal request. |
| WHERE is it Located? | Mentoring can be accomplished in person or virtually (by phone or computer) |
| HOW do I Apply? | MyVector |
| Mentoring Resources | My Vector Account Registration MAG Repository Resource Guide |
