

University of Tennessee

Aerospace and Defense Masters of Business Administration (ADMBA)

WHO is Eligible?	Highly successful WS, GS or AcqDemo supervisors
WHAT is the Opportunity?	<ul style="list-style-type: none">* 1-year program; Five 7-day in-residence sessions at UT* Program covers accounting and finance, operations excellence, program management, supply chain management, strategy, leadership and business development in an aerospace and defense context* Visits to “best in class” organizations from diverse sectors of the industry to see application of theories and skills taught in UT classrooms* In lieu of a thesis, students work with a faculty advisor on a year-long, strategic business project, applying lessons learned in ADMBA to an OC-ALC strategic challenge or opportunity. Projects are expected to deliver a \$1M+ business impact to OC-ALC* Highly proven assessment instruments will be used to identify leadership strengths and weaknesses of each student and assign a leadership coach based on each students unique needs. Students and coaches work together to execute a yearlong plan for personal growth and change* Students can earn a Lean Sigma Green Belt in conjunction with their MBA
WHAT is the Outcome?	Masters Degree
