Robbins	Signal Generator			AFSC/PZA				TBD		410 SCMS/GULA	TBD	Malinda.Gleason@US.AFMil		Signal Generator (Repair)
Robbins	C-5 Overflow Gearbox Repair			AFSC/PZA				TBD		409th SCMS/GUMA	TBD	robelaji.ogomakin.1@us.af.mil		Repair of 35 Gearboxes for the C-5 Aircraft
Robbins	HARM Engineering Services			AFLCM/EBWK			8(a)			AFLCM/EBW	TBD	shawn.ricker@us.af.mil		Provide Engineering and technical services for the AGM-88 High Speed Anti-Radiation Missile (HARM) Weapon System
Robbins	Automatic Identification Technology Sustainment and Support			AFSC/PZI			No			78th Communication Squadron	18-Feb-22	alex.weichold@us.af.mil		Contractor shall provide all personnel, vehicles, tools, labor and services necessary to provide support, operation, and maintenance for all Air Force Global Enterprise Tracking (AFGET) systems, including customers at Air Force Sustainment Center (AFSC) and Air Force Materiel Command (AFMC) locations of Robins AFB GA, Tinker AFB OK, Hill AFB UT, and Davis-Monthan AFB AZ.
Robbins	Bldg 301 Furniture Purchase			AFSC/PZI			SB Set-Aside - AF Executive Office Furniture II Program BPA			LCMC	29-Mar-22	charnique.thomas.2@us.af.mil		Furniture purchase will include approximately 62 cubicles, 125 office chairs, 3 tables, and 4 filing cabinets.
Robbins	Desktop Support			AFSC/PZI			GSA STARS III Program			78th Communication Squadron	15-Apr-22	lasonia.anderson@us.af.mil		The Contractor shall provide all: contract administration; contract management; personnel; tools; call and smartphones; (not to be connected to Air Force Network (AFNET)); consumable supplies; operation and maintenance necessary to perform this PWS. The Contractor shall provide recommended solutions for technical issues associated with this PWS. Any authorized end user devices on the AFNET or RAFB are within scope of this PWS. The Contractor shall provide services at locations within a twenty-mile radius of Building 228, RAFB, GA.
Robbins	Legacy Applications			AFSC/PZI			GSA 2GHT SB Set-Aside			78th Communication Squadron	TBD	tyler.davidson@us.af.mil		The services include application development, system operational and customer support functions essential to the daily operation of 78 ABW/SCPL. Legacy Applications Sustainment and Support includes all applicable documentation, requirements gathering, design, development, deployment, incident support, and sustainment of legacy applications and their databases.
Robbins	CEMACC Follow-On			AFSC/PZOC			SDVOB			78th Civil Engineering Group	16-May-22	eric.jackson.5@us.af.mil		Contractor shall provide all labor, material, plant, equipment, supplies, transportation and coordination required for support of real property maintenance, repair, alteration and/or new construction at Robins AFB GA
Robbins	C-5M Supplemental Depot Capability (SDC)			AFLCM/WLK			No			Air Mobility Command	TBD	janice.williams.2@us.af.mil		Contract that will provide a temporary depot capability to supplement work performed by the Warner Robins Air Logistics Complex (WR-ALC) at Robins AFB, GA as well as similar efforts conducted at C-5M stateside operating locations.
Robbins	WLM Furniture Buy			AFLCM/WLM			GSA Schedule			AFLCMC	TBD	ashon.smith.4@us.af.mil		Cabinets/Lockers
Robbins	Washers/Dryers			AFSC/PZI			Yes, SB Set-Aside			Civil Engineering	TBD	alex.weichold@us.af.mil		12 month lease of 68 washers and 65 dryers. 24 of the dryers are gas and 41 are electric. All the washers and gas dryers operate on 120VAC power, the electric dryers operate on 240VAC power. The machines will need to be delivered and connected into existing water, and exhaust hook-ups inside of 8 buildings with a laundry room on each of the 3 floors. The lease should provide appropriate power cords for the units as well as all required water hoses and exhaust vent tubing. We need high capacity, commercial grade Contractor shall furnish and install all equipment, repair/maintenance service, and shall provide repair parts as needed during the contract period. All machines shall remain the property of the contractor throughout the contract period. Machines shall be maintained in operational condition so that they may be continuously used. All work performed by the contractor shall be performed in accordance with all applicable laws, regulations, Headquarters, Air Force standards, instructions, and commercial practices.
Robbins	StrongBond Training & Facility			AFRC			TBD			Air Force Reserve Command	TBD	alex.weichold@us.af.mil		Training Instructor for military airmen and family
Robbins	Enterprise Essential Engineering Capabilities Program (EECP)			AFSC/PZIE		Limited - Universities	No	y		Robins AFSC/LCMC	TBD	kristen.campbell.2@us.af.mil		EECP will provide an Indefinite Delivery/Indefinite Quantity (IDIQ) Multiple Award Contract (MAC) with various Educational Institutions and/or Nonprofit Research Centers to support essential engineering needs.
Robbins	MERC2	FAR83020D0001		AFSC/PZIE		Limited - Universities		y		Robins AFSC/LCMC	31-Dec-26	kristen.campbell.2@us.af.mil		Provide Strategic reserve of essential engineering skills to support AF engineering needs using an educational institution.
Robbins	PDSH	FAR83024FB002		AFSC/PZIE		GSA - Competitive	No			AFLCMC/LZP	13-Jul-25	kristen.campbell.2@us.af.mil		Provide support for critical USAF product data systems
Robbins	TDSs2	FAR83020D0002		AFSC/PZIE		8(a)	8(a)	Yes - 8(a)		Department of Air Force	8-Mar-25	kristen.campbell.2@us.af.mil		Provide technical order, conversion, and engineering data support services
Robbins	TDSs3			AFSC/PZIE		5	8(a)	8(a)	Yes - 8(a)	Department of Air Force		kristen.campbell.2@us.af.mil		Provide technical order, conversion, and engineering data support services
Robbins	Virtual Reality Training Contract	FAR80120D0002		AFSC/PZIE		N/A		No		Department of Air Force	24-Sep-25	kristen.campbell.2@us.af.mil		Provides a virtual training environment for Airmen to receive realistic, in-depth preparation for the use of multiple aircraft
Robbins	Base Telecommunications Services (BTS)					Requirement is looking to be procured through the Air Force Infrastructure		Yes; no restrictions			15-Jun-24	michele.batts@us.af.mil; alex.weichold@us.af.mil		The services covered under this effort are Operations and Maintenance (ORM) and system administrative services in support of the Base Telecommunications System (BTS) to include infrastructure, Enhanced 911 (E911) switching system, Voice Protection System (VPS) and Cable-Assessment Retrieval System (CARS). BTS supports the base switch system, fiber development, system operational and customer support functions essential to the daily operations of 78 ABW/SCPL. Legacy Applications Sustainment and Support services includes all applicable documentation, requirements gathering, design, development, deployment, incident support, and sustainment of legacy applications and their databases.
Robbins	Legacy Applications					N/A					7-Aug-28	lasonia.anderson@us.af.mil		This effort will provide a government contractor partnering environment to manage the support strategy of managing hardware and software for Robins AFB by applying industry best practices and technology insertion. The scope of this IT management is defined as cycle management of IT infrastructure and its associated peripherals from initial warehouse receipt to disposal. IT infrastructure consists of devices located from the network drop inward to include PCs, laptops, their associated peripherals, and network print infrastructure devices such as hub, routers and switches.
Robbins	Land Mobile Radio (LMR) Maintenance					TBD; however looking at NASA SEWP or GSA XGT BPA		Possibly			31-Jan-24	alex.weichold@us.af.mil; chequith.davis@us.af.mil		The contractor shall provide all equipment, tools, materials (to exclude Civil reimbursable Parts (AW Paragraph 1.2); transportation and services to provide preventive maintenance, troubleshooting, repair, installation, programming, demilitarization, and return of commercial-made, government-owned two-way land mobile radio communications equipment for Robins AFB, GA. Tools include maintenance and repair on an as-called-for basis, for: all ancillary equipment (i.e. battery chargers, programming cables, LMR consoles, vehicle light bars and sirens) and the Motorola Conventional Land Mobile Radio system to include XTS/XTL/APX radios, Quantar repeaters, conventional items and system software. The contractor shall respond and restore all LMR equipment in compliance with the Department of Defense (DoD) Priority Hotline (Priority 5.1). The contractor shall provide maintenance services to correct malfunctions in any communication, test, or system. The contractor is not responsible for signal strength, signal-to-noise ratio, or signal conditions below the equipment. The contractor shall provide single and/or double room occupancy lodging accommodations (hotel/motel) for Air Force personnel and other official visitors to Robins AFB located Warner Robins, Georgia. Air Force personnel (guests) will occupy lodging facilities that are in Inactive Duty Status (IDT).
Robbins	Lodging BPA (local)					N/A					1-Jan-25	lasonia.anderson@us.af.mil		Provide a comprehensive solution support contract with furnish labor, equipment, and supplies necessary to implement and maintain classified and unclassified VTC room systems, web-conferencing, audio-visual-streaming media room, multi-point teleconferencing bridging systems, conference room audio and video content, including each user's computer.
Robbins	VTC IDIQ (local)					N/A					12-Sep-28	lasonia.anderson@us.af.mil		Provide a comprehensive solution support contract with furnish labor, equipment, and supplies necessary to implement and maintain classified and unclassified VTC room systems, web-conferencing, audio-visual-streaming media room, multi-point teleconferencing bridging systems, conference room audio and video content, including each user's computer.

Robbins	Laundry Services IDIQ (local)				N/A				30-Sep-27	lazonia.anderson@us.af.mil		The Contractor shall provide all personnel, equipment, tools, materials and transportation to provide laundry, dry cleaning, and protective retreatment services for the 402nd Maintenance Group (AMXG/CMXG & EMXG/ Production Groups), 28 ESS (Lashburn, 28 MEDG (Medical Element), 54 CMSS (Communication Facilities),
Robbins	Mortuary BPA (local)				N/A				28-Aug-26	lazonia.anderson@us.af.mil		The contractor shall be within a 15 mile radius of Robins AFB and provide facilities, equipment, licensed personnel, motor vehicles, and furnish professional services and requirements, supplies, fifteen death certificates, caskets, urns, outer shipping containers, and perform hygienic practices for handling the remains of deceased military personnel at Robins AFB GA.
