

Air Force Sustainment Center

Mission Briefing

Version 73

Air Force Sustainment Center

MISSION

AFSC – Forging readiness and accelerating innovation for America's warfighters!

VISION

Elite professionals ensuring global deterrence by delivering readiness, lethality and spurring innovation for America's warfighters!

AFSC Lines of Effort

- **Deliver combat readiness and cultivate a warfighter ethos**
- **Attract, recruit, develop and retain world-class Airmen**
- **Deliver supply chain readiness and resiliency**
- **Modernize and posture the Industrial Base**

Air Force Materiel Command

Nuclear
Systems
Management

Continue to Strengthen AFMC's
Role in the Nuclear Enterprise

Discovery &
Development

Advance Today's & Tomorrow's
Combat Capabilities through
Leading-Edge Technology

Life Cycle
Management

Acquire & Support
War-Winning Capabilities
"Cradle-to-Grave"

Test & Evaluation

Perform World-Class
Test and Evaluation

Sustainment
& Logistics

Provide Sustainment &
Logistics Readiness to
Deliver Combat Power for America

Installation
& Mission Support

Support AF-wide Installation
& Expeditionary
Combat Support Activities

AFSC – Forging Readiness and Accelerating Innovation!

Geographically Distributed Command

One Center
-
Three Complexes
-
Three Air Base Wings
-
Two Supply Chain Wings

Commander
Lt Gen Stacey Hawkins

Executive Director
Ms. Angela Tymofichuk

Command Chief
Carlos Labrador

Deputy Commander
Col Deedrick Reese

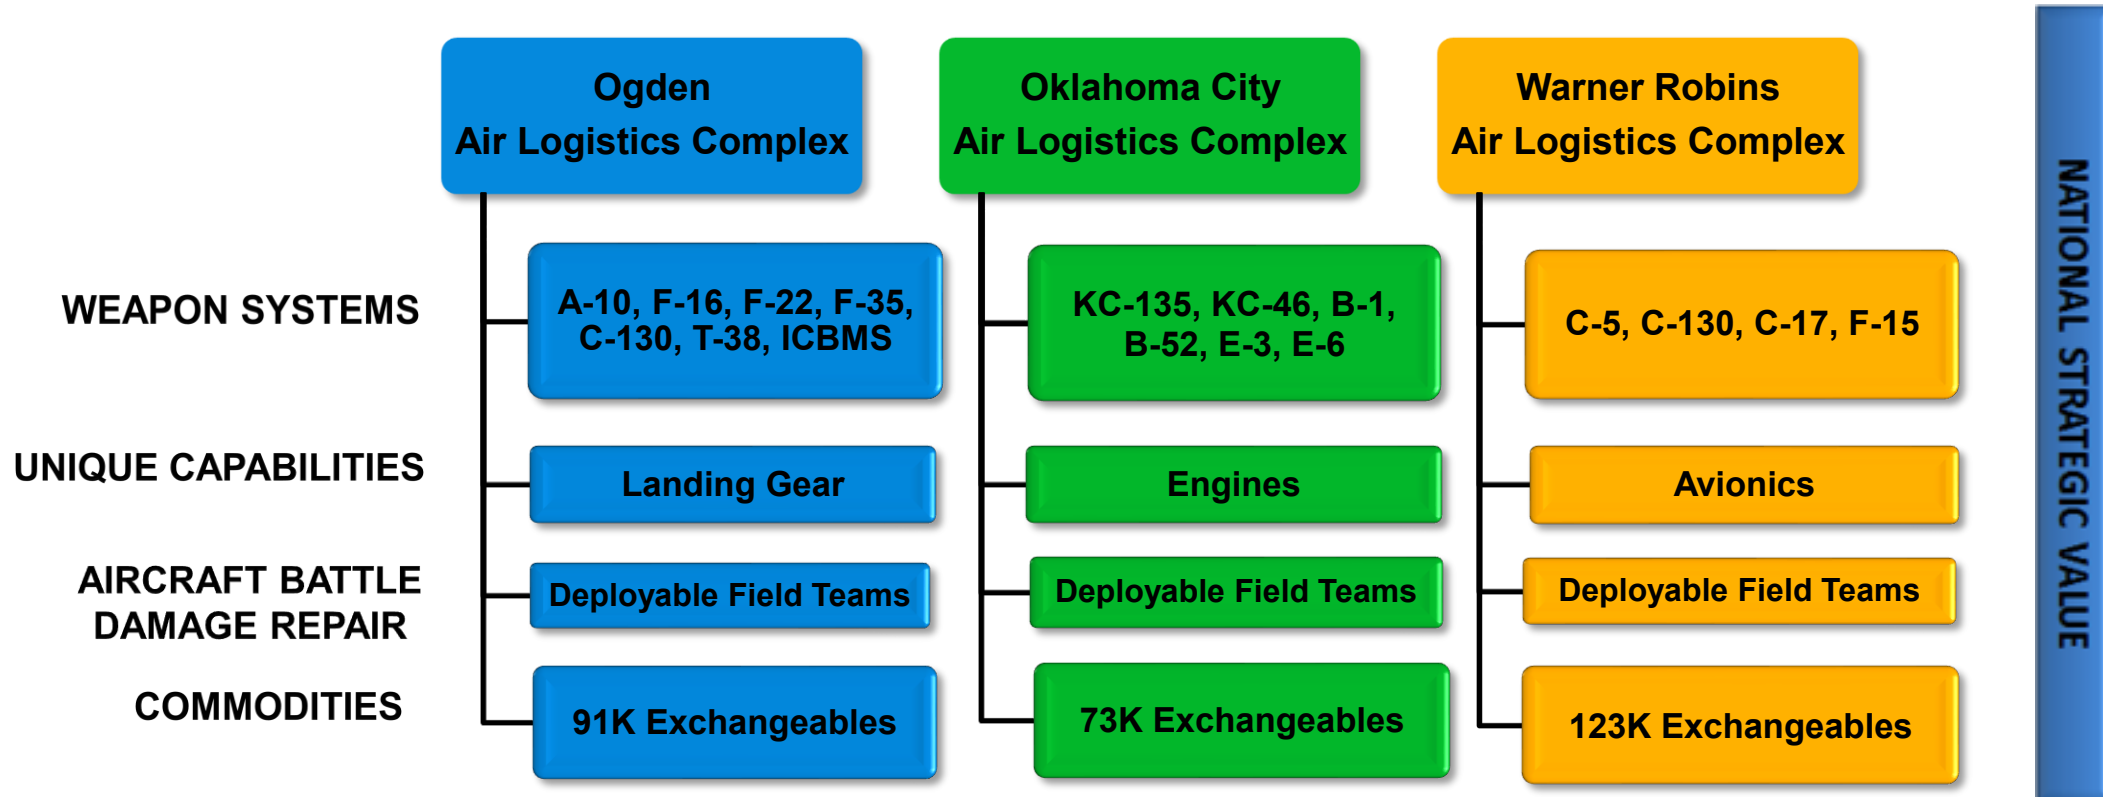

Director of Staff
Ms. Kristy Jordan

- **Software Sustainment, Modification, Enhancement**
- **Depot and Modification**
- **Aircraft Battle Damage Repair (ABDR)**
- **Global Supply Chain Integration and Execution**
- **War Reserve Materiel (WRM)**
- **Standard Air Munitions Packages (STAMP)**
- **Combat Enablers: POL, Vehicles, Support Equipment**
- **ABWs are Power Projection Platforms**

The logo of the Air Force Sustainment Center is a shield-shaped emblem. It features a central globe with green continents and blue oceans, encircled by a grey gear-like border. Three white arrows point upwards from the globe, and two horizontal chains connect the sides. Below the globe are three vertical white stripes. A white banner at the bottom contains the text "AF SUSTAINMENT CENTER" in blue capital letters. The background of the slide shows a blurred image of an aircraft carrier.

U.S. AIR FORCE

Software Enterprise

Evolution of Flight Software

**Weapon Systems
Increasingly Software Intensive**

**Operational Flight Software support expected to
potentially triple over next 10 years**
